## AREA, HOUSES AND POPULATION.

1. This table shows for each district the area, the number of towns and inhabited villages, the number of occupied houses and the total urban and rural population, male and female.

2. During the decade (1911-1921) besides some minor inter-district changes, the taluks of Adilabad District were re-arranged so as to allow the creation of two new taluks; the jagir of Kalyani was transferred from Bidar to Gulbarga District.

3. The difference between the areas here shown and those in the corresponding table of 1911 is due to changes referred to in (2) *supra*.

4. The Cantonment of Secunderabad including Bolarum, and the Residency Bazars have been treated as part of Hyderabad City; and the Cantonment of Aurangabad, as part of the town of Aurangabad.

Details of the area and population of these three localities under British Administration are given below:—

## TABLE IV.

### TOWNS CLASSIFIED BY POPULATION WITH VARIATION SINCE 1881

1. Alikher, Balkonda, Dharmapuri, Kallur, Lingampet and Seran are now excluded as they no longer come under the category of a town.

2. Ten new towns (marked with an asterisk) are included in the Table and figures for these for previous censuses are given, as far as possible from the Village Lists.

3. Matwada with one adjacent village (Gurmajipett) which used to be included in Hanamkonda, now (with one more village, Ramannapett) forms a municipality distinct from Hanamkonda; hence Matwada is treated as a separate town. Proportional figures for Matwada and Hanamkonda for previous censuses could not be calculated.

4. The population of troops stationed in Fort Golconda (Muhammad-nagar) is included under the city, hence the number of inhabitants for that town appears to be far below the standard.

5. Hyderabad city and Aurangabad include cantonments. The units composing them are detailed below :—

		Persons	Males	Females
1. Hyderabad City ...	...	289,051	147,188	141,913

## TABLE XII-A.

### INFIRMITIES BY SELECTED CASTES, TRIBES OR RACES.

This table has been confined to those castes of the Hindus and to those communities of the Musalmans which returned not less than 20 afflicted persons (all four infirmities combined), the rest having been lumped together as 'others.' The number of such castes is 62, representing 95 per cent. of the Hindu population, and of the communities is 4, representing 98 per cent. of the Musalman population. Among the Christians, only two communities returned persons suffering from any infirmity and these two represent 94 per cent. of the Christian population; while among the Animists, only 5 tribes, representing 91 per cent. of the Animist population; and among 'other religions,' Jains, representing 79 per cent., Parsis, 8 per cent. and Sikhs, 12 per cent. of the population under 'Other religions.'

## TABLE XIII

---

### CASTE, TRIBE, RACE OR NATIONALITY.

Table XIII is divided into two parts; Part I shows in alphabetical order every caste, tribe or race returned in the State, and the total number of persons, males and females, belonging to each.

Part II, in which castes are arranged according to religion, shows the districts in which the principal castes, tribes or race are chiefly found. Figures are given here only for those contributing more than one per *mille* to the State population, and under each such caste, tribe or race, a district is shown only when it contributes more than one per *mille* to the district population.

## STATE TABLE I.

### AREA AND POPULATION OF TALUKAS.

1. Owing to the general re-adjustment of districts between 1901 and 1911, the Talukas underwent changes to such an extent, during that decade, as to render the figures for 1901 useless for purposes of comparison. Hence the omission of figures for 1901—1911 under 'percentage of variation.'

2. During the decade, 1911—1921, besides some minor inter-district changes, the talukas of the Adilabad District were re-arranged so as to allow the formation of two new talukas—Utnur and Boath; the jagir of Kalyani was transferred from Bidar to Gulbarga District; the jagirs of Ajanta and Lad Saugvi were separated from Bhokardan and Aurangabad respectively and formed into separate talukas; the jagir talukas, Hatnura and Daulatabad, in the Medak District were combined into one taluka under the name of Vikarabad; and the names of some of the talukas were changed.

3. As in 1911, the population of troops has been entered under that of Chhadarghat.
